DATA & DEFINITIONS

Public SEC 10-K filings selected as of 23 Dec 2024; fiscal years differ.

Revenue growth = revenue / prior revenue - 1. Operating margin = operating income / revenue.

+1pp margin sensitivity = reported revenue × 0.01; it is not realized profit or savings.

Company	FiscalYearEnd	FilingURL	FinancialCutoff
Coca-Cola	Sunday, December 31, 2023	https://www.sec.gov/Archives/edgar/data/21344/000002134424000009/	Monday, December 23, 2024
